- any dog over 25 kg - 15 Euros per night

After 15 days at the ARC (former Paphiakos) shelter, Animal Rescue Cyprus reserve the right to retain, rehome or put to sleep any dog, if this is in the best interest of the animal. According to the law, owners relinquish all ownership rights after the 15 days have elapsed. Any dog taken into our care is automatically checked for identification (microchip). If this isn't present on arrival, the dog will be microchipped. Birth and disease control is also carried out during the animal's stay in our care.
