# WE ALSO NEED

## FROM YOUR HOME OR BUSINESS

At Animal Rescue Cyprus, every donation counts. Whether it's old towels, bed linen, mattresses, blankets, duvets, cardboard, or newspaper, each item contributes to the care and comfort of animals in need. Your generosity provides warmth, cleanliness, and security to animals.

### Old Towels and Bed Linen

Your used towels and bed linen become bedding for our animals. From providing warmth during chilly nights to offering a soft spot for tired paws, these donations ensure our animals have a comfortable place to rest.

### Mattresses and Blankets

Donated mattresses and blankets offer additional padding and insulation, creating snug nests for our rescued animals. Your contribution transforms cold floors into warm havens, promoting better sleep and overall well-being.

### Duvets

Soft and fluffy duvets provide extra comfort and security for animals recovering from illness or injury. Your donation helps us create a soothing environment where they can heal and regain their strength.

### Cardboard and Newspaper

Donated cardboard and newspaper serve as essential materials for creating bedding and enriching our animals' living spaces. They offer insulation, absorbency, and opportunities for nesting and play.

### Drop Off or Collect

We understand that transporting donations can be challenging. That's why we offer convenient options for drop-off at our clinic or collection from your location.

Whether you're clearing out your linen closet or looking for a purposeful way to recycle, your donations make a meaningful difference in the lives of animals in need.

Your support sustains our mission to rescue, rehabilitate, and rehome animals in Cyprus. Together, we provide love, care, and a second chance to those who need it most.

**Thank you for being a part of our compassionate community and for making a positive impact on the lives of animals in need.**
